Tots, Mini, Mini Plus and Junior's collectively known as 'Juniors' and subject to the preferential rights of Senior Members shall have restricted use of the Club facilities and amenities as determined by the General Committee. A 'Junior' Member must have a parent or guardian as a Social, Parental or Playing Member of the Club who shall be responsible to the Club for the 'Junior' Member.

**A Parental Member** shall be entitled to use all the Club facilities and amenities other than those provided for playing tennis, subject to such restrictions as may be laid down in the Club Rules & Bye-Laws and as determined from time to time by the General Committee.

**A Parental Practice Member** shall be allowed as a parent / guardian, to participate in tennis 'practice sessions' with their children that are 'Junior' members. In addition they have the same rights to use the Club Facilities as Parental / Social Members.

In particular Parents/Guardians of 'Junior' Members should note that under the Club Rules that while the Club seeks to ensure the safety and well-being of 'Junior' Members the Club does not provide supervision of children while they are utilising Club facilities other than on court during a formal session with a Club coach. Parents/Guardians should therefore make their own arrangements in organising the level of adult supervision they believe appropriate at all other times. Also, if a child suffers from any significant health condition please ensure that the coach and Tennis Administrator are notified each time the child attends a formal coaching session with the coach or starts a new squad.

**Please read the Club Rules & Bye-Laws as provided in the membership pack.**
